(expert in logistics
labor)

Trusted by Our Clients

Trust built from experience and world-class standards.

Chaiyadet Progress not only provides services but has also been recognized nationally and internationally... including by the Thai government and global labor organizations.

• Thailand's Representative at the ILO Conference in Geneva

• Recognized with the honor of being appointed "Advisor to the Labour Committee"

Real, Hands-On Operations

Our commitment... to create excellent outcomes for every client.

- On-site inspections... gaining deep understanding of each client's business.

- Providing care and support for workers like family.

Our Services

We handle every detail in workforce management... so that you can focus on your Core Business.

1

**Manpower
Recruitment (Thai,
Myanmar, Lao)**

Qualified workforce ready to work. Reduce recruitment burden and organizational documentation processes.

2

**Screening & Testing
Processes**

We ensure that every worker meets job requirements through standardized screening and testing.

3

**Labor Provision
Services**

Providing workers along with full support systems – onboarding, placement, and workforce administration.

Our Services

We handle every detail in workforce management... so that you can focus on your Core Business.

4

Payroll & Workforce Administration Services

Reduce your HR workload and the complexity of employee payments, attendance systems, and monthly payroll.

5

Long-term Workforce Management

We manage your workforce for you — with “contract supervision” throughout the engagement.

6

Workforce Solutions Tailored to Your Business

For industries, construction, factories, warehouses, logistics centers, and various supporting labor needs.

“不同的结果”

➤ Benefits

Cost & Resource Reduction
Clients no longer need to invest time and HR resources in workforce recruitment and management.

➤ Legal Compliance & Transparency

We manage documentation and ensure all labor-related legal requirements are fully met.

➤ Flexibility & Agility

Workforce can be increased or decreased quickly based on your operational needs.

➤ Professional & Comprehensive Services

A team of experienced professionals with over 16 years of expertise — everything handled in one place.

**We don't just “deliver manpower”... we
“deliver success” with you.**
